

## THE KING MAKER! (interview day 1)

Hearing that a KING MAKER was operating  
LEGED DEMOCRACY, an

**eurasian journalist came for interviewing**

**Finishing interview, off the record, he asked  
KING MAKER**

**You have a very unusual name, "DOCTOR  
MAJOR!"**

**Medical or Academic?**

**KM: "Neither!"**

**"I am called "DOCTOR MAJOR" because I  
invented a technique to torture & destroy my  
opponents by mixing drugs secretly in their food  
& water!"**

**J: "Oh! What was the inspiration behind your  
invention?"**

**KM: "Earlier, we had a big DACOIT issue here! It was horrible!"**

**KM: Sometimes during raids & encounter policemen used to get shot, which created big political headaches. State police was getting demoralized**

**So I INVENTED an easy way where policemen poisoned all drinking water sources in troubled area!**

**J: Oh!**

**KM: LOL! Half the Dacoits died!**

**KM: "Later on, we replaced poison with drugs, to eliminate enemies!"**

**Now, I use the SECRET SERVICE to arrange drug mixing in food against foes & as a political manipulative tool this is highly successful!**

**"Either my rivals are quelled or they become permanent invalids!"**

**J: Oh!**

**J: OK. What about your second name "MAJOR"?**

**KM: "Well, basically I am a WITCH DOCTOR! I do VOODOO primarily!"**

**"Then again, I AM THE ONLY ONE TO POSSESS 80 MACHINE PISTOLS in politically corrupt country! This serves me in good stead to become KING MAKER!"**

**J: "Oh! Unbelievable!"**

**J: Pardon me, but I heard that all 80 MACHINE  
PISTOLS are registered in the name of  
COWBOYS & ABORIGINES!**

**KM: Ha ha ha! It's just a facade! I bankrolled both  
groups from the start & own them both! But don't  
print this OK?**

**J: Never, But why?**

**KM: To fool STUPID PUBLIC! of course!**

**KM: When we are dynastic, "animal public" of  
certain undeveloped areas slowly develop anti-  
incumbent feelings! which is harmful to US!**

**To nip it in bud, we immediately advance finance to one of OUR OWN COHORTS to inflame anti-incumbency feelings! & hence get popular among public!**

**J: OK. Mystery of your name cleared.**

**KM: Here, meet the "new ruler" I made! as KING MAKER!"**

**J: Oh! hello, what about you?**

**NR: I'm Nero. Basically I'm a musician!**

**I once created history by PLAYING HARP IN MIDST OF FIREWORKS & MARTIAL ARTS! & hence is made ruler!"**

**J: Amazing!**

**J: Don't you people need any other qualities to become kings? Strange!**

**NR: In our part of the world, we do it like this! Public themselves are adamant that their rulers should be bloodthirsty fiends!**

**Here comes our new neighbor-land king!**

**J: Oh**

**NK: I'M A CRAPS PLAYER!**

**J: Oh!**

**INTERVIEW-day 2**

POWERED BY **weebly**

**J: Tell me about efficacy of your technique**

**KM: Sure, half the dacoits died just like that drinking poisoned water! Rest surrendered!**

**Hundreds of grazing animals died too! We were extremely HAPPY as the incident was reminiscent of YAKSHA'S STORY IN MAHABHARATA!**

**J: Like you people felt happy being able to recreate past?**

**KM: Yes, omnipotent! Drug mixing in food/water is even more successful!**

**J: Diarrhea?**

**KM: "Ha ha ha, NO!"**

**"Nowadays, I send POLICE to put drugs that induces EPILEPTIC FITS & IMPOTENCY in victims & DESTROY THEIR LIFE!"**

**J: Gosh! any examples?**

**KM: Sure, a DOWSER came to us from a faraway state, some years back! He escaped from his state due to criminal ministers' persecuting him there!**

**"Any way, dowser was talented & had an unparalleled record of accuracy in pointing out well sites with water."**

**J: Isn't dowsing a superstition?**

**KM: Usually yes, but this was like Excalibur, only he could do it. Hence, we decided to keep him here!**

**Now, this dowser, Hooray Kluster was his name! Luckily for us; HE; being a womanizer, could be kept on a simple diet of women and food alone!**

**KM: Hence, I provided him with a lot of women!**

**J: Oh! how disgusting!**

**KM: Yeah, the sacrifices one should make to come up in politics! and become a STATESMAN!**

**J: Really? In our place, it has another name! Starts with "P".**

**KM: Yeah. I know! Politicians! Here, we say**

**STATESMAN!**

**J: Oh!**

**KM: Anyway, to keep him here with KEEPS, we then arranged a marriage for him! with an EPILEPTIC GIRL! (JME)**

**As a consolation, mother-in-law & some other women were also thrown in as a bonus! But to keep him in control, we always kept him in poverty! Only food and women!**

**KM: EPILEPSY & POVERTY disheartened him & he ran away from our state! THEN WE STARTED TO EXACT OUR REVENGE!**

**KM: First, we used SECRET SERVICE & broke his right leg! in 2011!**

**J: Oh!**

**KM: Yeah! Then we institutionalized him in a MENTAL ASYLUM for 2 years! from year 2012 to 2014!**

**KM: There we force-fed him HALOPERIDOL! Dowser DROOLED like a leaky tap for 2 years! LOL**

**Once out of psychiatric hospital, we honey trapped him with our SECRET AGENT girl double-zero-middle-one! (code named 010) & sent him to incarceration for another 2 years! from 2015 to 2017!**

**J: Oh! How?**

**KM: On my orders, SECRET SERVICE honey-**

**trapped him by sending agent DOUBLE-ZERO-MIDDLE-ONE! (code named 010) to infiltrate his work place!**

**We placed them BOTH TOGETHER in the same computer cubicle! and told her to use her charms! for DEEP PENETRATION & INFILTRATION!**

**J: Oh! gosh! You ordered secret service & police to CHEAT him in love & BROKE HIS HEART?**

**KM: LOL! Haven't you heard? In love and war, everything is allowed!**

**Dowser couldn't believe his good fortune as SECRET AGENT "double-zero-middle-one! (code named 010) was only half his age!**

**J: Oh! Old DOWSER now became QA in KPO?**

**KM: I told you earlier, remember? This guy is a POLITICALLY-PERSECUTED victim & he quite often has to change professions & locality, just to keep alive!**

**J: What about education?**

**KM: If illiterates like US can become rulers, why can't he?**

**KM: SECRET AGENT "double-zero-middle-one! (code named 010) was only half his age! {the earlier ones I provided for him, when he was a dowser, were all OLD HAGS!}**

**The girl did her "SEDUCTION THING" so well that, (ha ha ha LOL) dowser fell UPside down for her with a CRUSH!**

**J: Oh!**

**KM: Then on our plan, we forced him to hand in his resignation in 2012! We THREATENED him with NATIONAL BLACKLISTING!**

**We also falsely promised him re-appointment, once business-slump/depression situation changes!**

**J: Oh! Why so? What was the objective?**

**KM: Yeah, coming to that!**

**KM: See, he was totally enamoured of her! Hence we did it deliberately to frustrate & provoke him! We blocked his access to double-zero-middle-one! LOL**

**We BANISHED him from office & upon my orders, neither girl nor colleagues would meet or talk to him!**

**J: Oh! then what happened?**

**KM: Finally when I ordered security guards not to let him in, our old dowser & present KPO QA lost his cool**

**He stood on the main road, right in front of the MNC! with a placard tied to his neck! announcing his LOVE! for the girl! in broad daylight! in full public view!"**

**J: Oh!**

**J: Perhaps he really loved her?**

**KM: Who the hell cares? Upon orders from me, police sent some people to thrash him UP publicly!**

**SECRET AGENT double-zero-middle-one! (code named 010) filed a PUBLIC INSULT case UPON him after the main-road beating & sent him to JAIL for 2 years!**

**KM: In jail, we brutally TORTURED him with POLICE LATHI-LASHINGS! ha ha ha! & that too while he was starving!**

**Stupid fool went on a HUNGER STRIKE for 58 days! in prison hospital! Day 30 we started IV glucose!**

**Then we thrashed him so good! LOL! that he failed! & ate on 59th day!**

**J: Unbelievable!**

**KM: Yeah, but true. Later, SECRET SERVICE advised me to start using drugs instead, to avoid scars!**

**J: When did this happen?**

**KM: Dowser was beaten publicly & sent to JAIL on July 16, 2015! This is 7th year of "drugs in food" torture! Soon he will be an invalid!**

**J: Don't you have any qualms using Secret Service against unarmed civilians?**

**KM: Never! As a ruler, many times in life you will have to kill & torture people!**

**SECRET SERVICE also is happy. This is an internal issue against a civilian. SAFE! Why go abroad for spying & get shot?**

**KM: You know, just last month, in September 2019, took help from FRIENDLY FOREIGN SPIES, put drugs in his food & induced EPILEPSY!**

**LMAO! Dowser was hospitalized for a week!**

**J: Isn't this against CONSTITUTION? Oath and all? & Isn't it a crime to tell state secrets to foreigners?**

**KM: No, I don't have CONSTIPATION! I always drink water!**

**J: Oh no! I was asking about the OATH BOOK. You promise to uphold the LAW when assuming office, right?**

**KM: Oh! You mean that difficult-to-read boring  
BIG BOOK!**

**Well, these are the other two of my lesser known  
INVENTIONS!**

**KM: I always keep a LIVE MOSQUITO in my left  
fist on OATH!**

**When we reach that part where we say, "I  
promise to uphold LAW & citizens' rights with  
life" I crush the gnat immediately & kill it! Hence  
oath is neither binding nor applicable for me!"**

**J: Oh!**

**KM: Now about foreigners**
